Cemetery Footer Permit

All grave marker foundations shall be of concrete, consisting of cement, sand and gravel. Any person or firm installing a grave marker foundation shall, prior to proceeding, first obtain a permit from the City Clerk's Office, so as to ensure the proposed foundation will satisfy this chapter; the Director of Public Safety and Service shall establish a rule for maintaining the city's copy of the permit, and the permit shall issue without charge. Foundations on bevels and slants shall have a two-inch lip and shall have a depth as follows:

<i>Size</i>	<i>Depth</i>
Three feet maximum	18 inches
Over three feet, up to five feet	22 inches
Over five feet	24 inches
